

1ST STRATHMORE CUB REPORT

February, 1954

The pack re-opened on Saturday 6th February, 1954. On Saturday 13th February it was decided to admit the recruits on the waiting list. One parent was requested to attend with each new cub and we were very pleased with the response. As well as the new cubs and their parents, we had a visit by a scouter from the Ocean Islands. He took the pack for several games and also gave a talk on the life and habits of the people on the island together with answering questions fired by the cubs. Later we were given a demonstration on how to climb a tree. It was at this Pack Meeting that we decided to take only uniform cubs to the Queen's welcome. On Sunday 21st the pack attended a service held at St. John's church in memory of "B.P." also as the commencement of Scout Week.

Seventeen cubs requested to be taken to the Queen's welcome so on Wednesday 24th February at 8.30 these seventeen cubs meet and with the Old Wolves made their way slowly over ^{to} the aerodrome. We arrived at approximately 9.45 a.m. and found a good position and had plenty of room to sit and rest. The time was taken up by reading comics and playing games. After lunch we kept to our position and waited. When the Queen arrived I think we all had a good view and after seeing her realized the wait was wellworth while. The cubs were very well ~~behaved~~ behaved and Ricki and myself were pleased with them. We arrived back at Baloo's place by 4.00 pm. and the pack was dismissed.
